Dear Carli

Thank you so much for assisting in Chris Samuel's dream and for allowing Reach For A Dream to facilitate this special day for him and his family. We really appreciate all your help and value your support of our cause.

Reach For A Dream fulfills the dreams of children with life threatening illnesses and through the support of the general public, we are able to bring a little joy to the lives of these children and give them hope and courage to help them and their families through their darkest days. We believe strongly in the power of dreams and I know that Chris will treasure the memories you have helped to create today. Your support is invaluable to us.

Once again, I would like to thank you for your support of Chris and Reach For A Dream.

Best wishes
